Couth Buzzard Book Club

We are excited to announce the new format of the Couth Buzzard Book Club!

Beginning May 2019, there will be no assigned book. Instead, you are encouraged to choose your own reading, fiction or non-, and come to Book Club to share about it. Think of it as an opportunity to broaden your literary palate -- maybe even find your next favorite book -- while sharing coffee, wine, or a meal with fellow voracious readers.

Bring a friend or two. Let's talk *books!*

Claudia Schmidt has been perfecting her craft of performing for almost four decades. It is a quirky and wonderful hodge-podge (her word!) of music, poetry, story, laughter, drama, and celebrating the moment. She has always included her original work along with very personal versions of the work of others, what you get is a unique look at the world from someone who says what she sees with clarity, humor, and wonder.

Disruptive Play: Book Event with Author Dr. Shepherd Siegel

Thursday, June 27th at 7:00pm

Disruptive Play: The Trickster in Politics and Culture is about tricking power into committing acts of love. It journeys from ancient folkloric appearances of Tricksters such as Raven and Èṣù-Elegba, to their confined role in Western civilization, and then on to Trickster's 20th century jailbreak as led by dada and the hippies. Disruptive Play bears witness to how this spirit informs social progress today, whether by Anonymous, Banksy, Bugs Bunny, or unrevealed mischief-makers and culture jammers. Such play is revolutionary and lights the path to a transformed society. Join author Dr. Shepherd Siegel for this special event.

Free. Copies of Book Available for Purchase.
